COLLEGE STUDENT ADOPTION

Each year college students from VMI and W&L attend our church and seek people who will provide a home away from home for them. You and your students decide together the level of support you wish to offer. It may be as little as a meal in your home or in a restaurant every once in a while, to as much as making them a part of your family where they visit to your home each Sunday, and everything in between. If you would like to help with this wonderful ministry or would like more information please fill out and place this in the offering plate.
