Life of the Church

Prelude *How Firm A Foundation*

Hymn # 115 *God of Grace and God of Glory*

Memorial Day Litany

Over our congregation's long history, many in our own church family have sacrificed their lives in various conflicts. We have lost family members and friends in service, whether in the armed forces, law enforcement or as first responders.

For all those who have died establishing, defending and providing for the liberty, order and governance we know and enjoy in our own land,

And for all those who have died defending, securing and sacrificing for the freedom of others, or seeking to establish, provide and maintain peace and hope for others, we give thanks.

Lord, provide your peace to those who have died, whether in war or human conflict and comfort the families and friends they have left behind.

On this day of memory we come before you O God, praying with all our hearts:

Help us to find the path that leads to your promised peaceable kingdom. Open the eyes of the nations so that they may find your path to peace through all the disagreements and conflicts in this world.

Let us recommit ourselves to being people of God's peace in this turbulent world.

Lord, make us instruments of your peace.
