Church Pianist

In the July Business meeting, the church voted to establish the position of a paid pianist, at a salary of \$5,000 a year. The Stewardship Committee is planning to add this position to the 2020 Church Budget. It would be helpful to the committee if they knew that people were willing to support this position by increasing their contributions. Even a small increase from several individuals can make a big difference. For example, if 10 people would commit to give \$10 more a week, in addition to their regular giving, the position could easily be fully funded without added demand upon existing church funds. We invite you to pray about what God would have you do in this matter. If you are willing to make a commitment to increase your giving to the church in order to support this new position, please let John Wranek, chair of the Stewardship Committee know. His email address is: jwranek@marshallfoundation.org. He will keep all information confidential.
